A simplified guide
containing rates of tax for
Small Business Taxpayers

A Small Business Taxpayer for income tax purposes is a resident taxpayer whose gross turnover from all businesses owned by such a person in a year is above Ten Million Shillings but is less than One Hundred and Fifty Million Shillings. The term Turnover refers to one's total sales in a year.

Excluded from the small business (presumptive) tax category are professionals for example persons in dental, medical and architectural practice among others.

NOTE: A taxpayer whose gross turnover does not exceed 10 million shillings a year does not pay tax on their income.

Requirements for registration

Individual: National ID or two identifications (Passport, Village Id, Employment Id, Driver's Permit or Bank Statement)

Sole proprietor: Certificate of registration, Statement of particulars

Company: TINs of directors, Certificate of Registration or Incorporation, Company form 7

NB. Please note that your company must already be registered by Uganda Registration Services Bureau (URSB)
